How to Trigger the Hero Instinct In his Man?

In general, the heroic instinct of men is that men need to feel needed, and women in particular are drawn to them. They must constantly save lives and save suffering sailors. If not, he will feel less masculine, less arrogant, and a little less valued. This is not an easy task. It has a huge impact on his marriage. In fact, I struggled with this relationship for decades because I didn't know how the concepts affected men.

The 12 word text that'll transform his relationship

Now, I know what you might be thinking: This is too good to be true, isn't it?

How can just 12 words have such a big impact?

Well, that's what I thought too.

But I want to know more because the more I read, the more it makes sense.

Let me explain:

James Bauer's 12-word text uses the same strategy of heroic instinct: it directly appeals to male biological drives.

It eats part of its innate needs such as hunger, thirst, and even sex.

Now, before I go any further, I want to explain why this will change his relationship forever.

I know it can because it would be a game changer for me.

Some basic information; My partner and I are in sync now! But even then, things were tough.

He is very independent. When we met, I wasn't looking for a relationship. He does things his own way, and romantic exchanges with him do not work out.

In short, at first, I was hot and cold. We had an important date together, and then it would be quiet and distant for a while, and the cycle would repeat.

This drives me crazy.

Nothing helped me. I tried pretending I was cool (come on ladies, we all did), tried the "be nice to them, keep them sharp" thing (it didn't work), and even got a gold stamp of approval. His friend, but that's never enough.

But it wasn't until after I tried Bauer's advice and resorted directly to his heroic instincts that things finally came to a head.

right Now?

Now I can't get rid of it.

Just kidding, I loved it, but actually things changed pretty quickly after that.

And it's all thanks to Bauer's understanding of how men work.

Now, I'm not someone who finds something revolutionary and doesn't share it, so here's how I use the Heroic Instinct Trigger to get my people involved and committed.
